

+ We're here and ready to help.

Amgen® SupportPlus provides access support and helpful resources across Amgen therapies.

**Resources for your office**

**The HCP Support Call Center** can verify coverage, identify specialty pharmacies, and confirm prior authorization requirements.

**Access Specialists** can answer questions about prior authorization and fulfillment processes.

**Support for your patients**

**Financial Support** information is available on resources that may help your patients with their out-of-pocket costs, regardless of financial or insurance status.

**Nurse Partners\*** are available for patients who want additional support.

**Helpful resources**

Request additional HCP resources, ask us to contact your patients to start enrollment in support services, or find links to brand-specific support at [AmgenSupportPlus.com](https://AmgenSupportPlus.com).

\*Nurse Partners are nurses by training, but they are not part of a patient's treatment team or an extension of their doctor's office. Nurse Partners will not inject patients with Amgen medications. Patients will be referred to their doctor's office for clinical advice.
